

Dr. Nune Mnatsakanyan, Researcher

Education: National Polytechnic University of Armenia.

Faculty: Mining and metallurgy

Specialization: Chemical physics

Date of birth: 12 Sept. 1948

Tel. (374 60) 62-35-90;
(374 91) 2-39-04;

E-mail: nunushikjan@gmail.com

Research interests:

Self-propagated High temperature Synthesis (SHS),

Hydrides of transition metals,

Chemical and DTA analyses;

Materials science and technology

Number of publications – 25, abstracts and materials - 14

Number of copyright certificates of the USSR – 2
